If for any reason there is no response, please contact NC State University Police at (919) 515-3000.

## **Cable Television Services**

Cable television includes more than 100 digital and HD channels of entertainment, news and information, including four local channels. In Greek Village, every resident is charged \$46 per term for cable. All bedrooms and common areas in the house are activated.

Since OIT upgraded to digital and HD channels, analog TVs will no longer receive WolfTV channels. For your TV to receive digital channels, you will need a TV with a digital tuner or a digital tuner converter box for your TV. Most newer TV models already have a digital tuner built in. For more information about compatible TVs and tuner converter boxes, visit the WolfTV website.

## **ResNet High-Speed Campus Internet**

The Residential Network (ResNet) is the residential computer network service provided to students living on campus. ResNet allows you to connect your personal computer directly to NC State's computer network and, through the University network, to the Internet. ResNet is automatically provided to all students living in Greek Village. To use ResNet, you must have an Ethernet cable. Wireless Internet service is also available. System requirements and other information are available on the ResNet website. During check-in, if you need assistance with your network connection or need antivirus software installed, please call the NC State University Help Desk at (919) 515-HELP (4357) or bring your computer by the OIT Walk-in Center located in the West Dunn Building. After check-in, students should contact ResNet for help by sending an email or calling the NC State University Help Desk at (919) 515-HELP (4357).

## **Parking**

The University requires all vehicles on campus to display permits during business hours of 7 a.m. - 5 p.m. Monday to Friday. Parking lots in Greek Village are permitted by the NC State Department of Transportation and require a "P" or Perimeter parking permit. All members of fraternities and sororities that reside in Greek Village are eligible to purchase a permit. Please contact NC State Transportation directly to purchase your permit. They can be reached by phone at (919) 515-3424 or via email.

To support and encourage all fraternity and sorority members' participation in chapter meal plans, to allow for alumnae and advisors to visit houses during the week, and to provide greater service to live-in staff, Transportation is providing the following allowances in Greek Village as of March 17, 2014.

## **Additional Parking Permits Valid at Meal-Time**

Fraternity/Sorority members who currently have CD, CC, DD or W permits are eligible to park in Greek Village parking lots during established breakfast and lunch meal times: Monday-Thursday from 7-9am and 11am-2 pm, and on Friday from 7-9am and 10am-2pm.

A Varsity permit may be purchased at the Transportation Office, 2721 Sullivan Drive. This is the least expensive permit available to students valid during business hours.
