Fall 2017 / Spring 2018 – Double Room Buyout

I, _____, hereby agree to participate in the double room buyout option. I understand that the additional cost for the private room is \$2,960 each semester and this additional cost will be added to my student account by the Department of Fraternity and Sorority Life.

I also understand that based on the demands for housing within my chapter facility that Fraternity and Sorority Life and my respective Chapter’s House Corporation President reserves the right to terminate the double room buy out or provide the student with comparable private accommodations in a different room. If an assignment must be changed, Fraternity and Sorority Life will coordinate the assignment change with the student.
